Psychological First Aid

ARE YOU A COVID-19 FRONTLINE WORKER SERVING AN AMERICAN INDIAN/ ALASKA NATIVE (AI/AN) COMMUNITY?

The Johns Hopkins Center for American Indian Health now offers online psychological first aid training designed to support AI/AN frontline workers and their communities. **We are currently looking for participants for a research study to help us evaluate this training.**

Study information:

PI: Emily Haroz, IRB: 15690, Title: Evaluation of Psychological First Aid for Frontline Workers in American Indian/Alaska Native Communities

AVAILABLE AT NO COST FROM THE COMFORT OF YOUR OWN HOME!

Participation includes:

- **A baseline survey (~1h)**
- **Psychological first aid training (~2 hrs)**
- **Survey one week post completion of training (~1h)**
- **Survey 3 months post completion of training (~1h)**
- **A small thank-you gift for participating!**
